I wanted to thank you for your telephone call of last Tuesday concerning the international "business ventures" as described by your friend. As I told you we would, we made contact with your friend who has given us a good deal of useful information about these ventures. There was some prior awareness of this matter. We are seeing to it that appropriate officials in other Government offices are informed.

I certainly appreciate your calling this to my attention. It was good to hear from you.

Preet joins me in warm regards to  and you.

Faithfully yours,

*Signed*

Marshall S. Carter  
Lieutenant General, USA  
Deputy Director
